

POST-WORKSHOP QUESTIONNAIRE
GEOMETRY AND ART
On-line Workshop
June 23-27, 2008

Please answer the following questions as completely as possible. Use the back of this sheet if you need more room. Thank you!

1. Did this workshop meet your expectations? Explain.
2. Did you experience any technical difficulties during this workshop? If so, explain.
3. To what extent were the scheduling of the presentations and activities a positive aspect of the workshop? Explain.
4. Do you feel that this workshop has provided new and useful ideas for teaching geometry with art as a motivating tool? Explain.
5. Do you feel that you now can develop your own explorations and teaching materials for geometry? Explain.
6. Are you now familiar enough with Wikimedia to use it as a tool for creating online materials? Explain.
7. What was the best part of this workshop?
8. What part of this workshop, if any, could have been done differently to make this experience more beneficial to you?
