I encourage you to work together on homework, but everyone should write up results separately. You should also feel free to check your solutions in the back of the book and then correct them.
I grade homework on a 10 point scale. On time homework will receive at least a 6/10. Late homework is always accepted, but I will not write comments and will automatically give a score of 5 (out of 10) if the work is of reasonable quality.
E X A M S  I give makeup exams only for severe and documented reasons.
